[Poster (versions in English and Spanish) describing the Index of Care algorithm, using the cases of MB9 and Romito 2 (Case Studies 2 and 3) as ‘work-through’ examples. Note: this poster was designed for size A1-A0 paper. If used in hard copy format it should be printed, *at a minimum*, on A3 paper - or it will be impossible to read. This is an open access document, and instructors are invited to use this poster in whatever way suits their purposes.] **See thumbnails below.**
